

Adjusts perfectly to any CEO's spine.

Corpfinance International understands your need for customized securitization solutions. That's why CFI offers you the approach of a boutique and the solidity of a bank. As an experienced and respected financier of auto lease securitizations, CFI Trust has over \$675 million in assets and has funded over \$2 billion in originations. Our reputation and capabilities are unparalleled across Canada. We understand the difference between a hot seat and a warm, comfortable one.
