

Corpfinance International Group

Frank Vihant, C.A.

Kevin Andrews, President and CEO of Corpfinance International Group is pleased to announce the appointment of Frank Vihant to the position of Senior Vice-President at Corpfinance International Limited (CFI), responsible for expanding CFI's suite of structured finance products. Over the next year Frank will transition into the role of CFO, Corpfinance International Group.

Frank brings eighteen years of experience to his position, the last twelve with Maritime Life and Manulife Financial, as a Senior Investment Officer responsible for sourcing and approving Canadian private placement debt investments.

Frank's knowledge and extensive experience with private placements will give CFI increased insight into the demands of this market, and ensure more seamless interaction with institutional investors.

CFI Group, through Corpfinance International Limited, CFI Capital, CFI Trust and the CFI Infrastructure Opportunities Fund are specialists in providing customized medium and long-term structured and infrastructure debt and equity financing solutions for private and public corporations.
