

Appointments

**Rob
Sampson**

**Vice-
President**

Rob Sampson brings a unique combination of 23 years of corporate and public sector experience to his position as Vice-President of Corpfinance International's infrastructure division.

Between 1980 and 1995, Rob Sampson developed his corporate finance and banking skills while working at various positions within two major international banks.

In June 1995, Rob Sampson was first elected to the Ontario Legislature. Since then, his distinguished career in public office included appointments as Parliamentary Assistant to the Minister of Finance, Minister without Portfolio - responsible for privatization, Minister of Correctional Services and Chair of the Government Caucus and Ontario's first Commissioner of Automobile Insurance.

Rob's leadership, experience and banking skills coupled with his tremendous in-depth knowledge of the public sector will help CFI's infrastructure division create many new financing opportunities.

**Simon
Kinnaird**

**Vice-
President**

As a real estate financing specialist, Simon brings over 20 years of creative Real Estate Capital Structuring experience to his position as Vice-President of Corpfinance International's real estate division.

In Simon's previous position he was responsible for structuring domestic and cross-border real estate financings and private equity placements. Simon developed a breadth of real estate experience including re-structuring of real estate portfolios and construction and acquisition financing while holding senior positions at several other international financial institutions.

With over \$1 billion in transaction experience, in both domestic and foreign markets, Simon delivers high quality strategic advice and creative financing solutions to our clients.

**Michael
Breen**

**Vice-
President**

Michael Breen brings over 27 years of international financial experience to his position as Vice-President with Corpfinance International where he is responsible for managing and enhancing CFI's relationships with the international financial community. He will also be taking a lead role in CFI's corporate banking and project finance divisions.

Michael has worked in the United States for over 13 years and brings a wealth of North American experience to his position at CFI. In the past he has held positions within several international financial institutions, including the Canadian head of a structured finance group.

Michael's strength in project financing and breadth of North American capital market experience, combined with his hands on approach ensures that he has the knowledge, capability and desire to take an opportunity from its earliest concept through to final completion.

Corpfinance International Limited specializes in providing customized financial solutions for private and public corporations. Areas of expertise include project and infrastructure financing, corporate banking, securitization and capital solutions. CFI offers capital solutions through its wholly-owned subsidiary CFI Capital, and securitization solutions through CFI Trust, which is AAA rated by DBRS and has generated over \$2 billion in originations. With transactions ranging from \$10 million to \$100 million, CFI can offer project financing and corporate loans with fixed interest terms and amortizations up to thirty years. CFI is headquartered in Toronto, and has offices in Quebec and British Columbia. www.corpfinance.ca
